01 RIMS AND TIRES

High performance without compromising on safety, with a distinctively sporty look.

RIMS

Designed in Sant'Agata Bolognese, inspired by Lamborghini Design DNA, the three Revuelto rims are the perfect synthesis of resistance, lightweight and dynamic design, perfectly integrated with Revuelto's exterior. The range includes both forged and cast rims to adapt to all necessities.

In addition to the two different designs for 20"/21" rims, for the first time in Lamborghini history, the 21"/22" rim is available on a supersports car.

THE IMPORTANCE OF THE "L" MARK

Lamborghini's unmistakable tires featuring the iconic "L" mark are the product of a lengthy testing process and the marque's avant-garde technology.

Designed to enhance your vehicle's performance and deliver a unique driving experience on the road and track, Lamborghini's original "L" tires are equipped with profile and tread designed to:

- Provide the correct dimensional tolerance between the front and rear tires and, consequently, the proper function of the Lamborghini all-wheel drive system;
- Deliver the best car performance and maximum maneuverability and safety on the road and track, thanks to the development of active dynamic systems.

TIRE SELECTION

Coming straight from the technological know-how and materials of motorsports, Lamborghini's L-branded tires guarantee performance, control, and safety at any temperature and on any road condition –wet, dry, and even snowy.

02 CHARGING EQUIPMENT

Ensure your Revuelto is always ready to go with these specially designed charging products from Accessori Originali.

BATTERY MAINTAINER

An extremely useful device to preserve the Low Voltage battery of your Revuelto and keep it charged so your car is always ready to go. Compatible with all Lamborghini models.

LAMBORGHINI HV CHARGER

A device to connect your vehicle to an energy source and charge the High Voltage Battery of your Revuelto. The HV Charger can be attached to different mounts to make the charging experience even easier.

PUBLIC CHARGING CABLE

A portable cable (Mode 3) to charge your Revuelto at public charging stations. Transport bag is included. This accessory is only available for Type 2 (4.5 and 7.5 meters) and Type GB/T (4.5 meters) plugs.

WALL CLIPS

A special set of mounts to affix your Lamborghini HV Charger to a safer and more ergonomic place.

WALL DOCK

The Wall Dock is a specially designed capsule to cover and protect the Lamborghini HV Charger. Designed to be installed on the wall or the Pedestal Dock (see next page), the Wall Dock will add an extra touch of sophistication to your garage, thanks to the white safety glass featuring the Lamborghini logo.

Please note:
Contact your Dealer for information on the setup and separately available supply cables.
The Lamborghini HV Charger is not included in the scope of supply.

PEDESTAL DOCK

A ground-based structure on which the Wall Dock can be mounted, adding a higher level of customization to your charging experience.
The Pedestal Dock presents an aluminum frame and front and rear trims made of white safety glass featuring the “Lamborghini” logo in black writing.
Also suitable for outdoor installation.

Please note:
Contact your Dealer for information on the setup.
The charging dock and wheeled base (73 cm height, 60 cm width, 80 cm depth) are included. The Lamborghini HV Charger is not included in the scope of delivery.

03 CARE AND SAFETY

The best in terms of protection and safety,
with a touch of style and exclusivity.

PHONE HOLDER

Designed to increase the comfort of the vehicle interior, the phone holder adds a solution for everyday usability. This accessory provides a secure position for your mobile device while you venture onto new roads with your Revuelto.

SCREEN PROTECTOR

The Infotainment Touch Screen Protector is designed to preserve the display from oil, dust, scratches, and water. This accessory is layered with oleophobic coating that repels the oils left from fingertips and adds extra smoothness to the navigation screen. Furthermore, the protector preserves the touch screen's colors and capabilities. A hologram of the Revuelto logo that only appears when the screen is off adds a remarkable touch.

PROTECTIVE
CAR COVER WITH LIVERY

The Car Cover designed by Accessori Originali provides maximum protection, waterproofing, and resistance to tearing and temperature changes. This product employs revolutionary UV printing technology to transfer the graphics of its special design created by Lamborghini Centro Stile to the Revuelto's silhouette.

STEERING WHEEL COVER

The steering wheel of Lamborghini Revuelto was crafted by master artisans and is one of the elements that makes this model truly unique, which is why it's important to keep it protected even indoors–a job the Steering Wheel Cover from Accessori Originali is designed to do.

SEAT COVERS

Designed by Lamborghini Centro Stile, the Seat Covers for Lamborghini Revuelto are made of hard-wearing stretch fabric bearing the model's logo. This accessory is the perfect solution to take care of your vehicle even when it's not in use.

EMERGENCY KIT

The Emergency and First Aid Kit contains everything you need to deal with an emergency on the road. The contents are packed in a sleek, elegant Accessori Originali branded case designed to be carried in the luggage compartment of your Revuelto.

Please note:
Not available for all markets.
Please contact your Dealer for more information.

PARKING CUSHIONS

The Parking Cushions are designed to prevent tire deformation caused by prolonged parking. Made of a special polymer, each of the four cushions molds to the shape of the tires, providing the utmost protection when your Revuelto is taking a break from the road.

THERE ARE INFINITE WAYS OF DEMONSTRATING HOW MUCH YOU LOVE YOUR LAMBORGHINI

We invite you to use only original spare parts for your Lamborghini.
Lamborghini declines any responsibility in the event of damages caused
by the use of aftermarket parts or accessories.
The availability of spare parts and accessories may vary depending on the Country.
Post-production installation of some items depends on the car's standard equipment and production year.
